1959

Today's are

CHRISTIAN CITIZENSHIP

Today you find us on the threshold of adult society, enlightened by secular learning, fortified by a life of grace.

TODAY

A STUDENT

TOMORROW

A CITIZEN

Tomorrows . . .

We are citizens of two worlds. We must love both countries, that of earth below and heaven above. Children of God and heirs of heaven, we must know our Father, love, serve Him and love as ourselves His children.

Throughout the grades we have prepared for responsible and loyal citizenship. Increased responsibilities in the high school evoked whole-hearted cooperation training us for conscientious citizenship.

May we go forth tomorrow as upright Americans and worthy heirs of heaven to serve as instruments of world-wide harmony.

TODAY

ON THE CROSS

TOMORROW

IN HEAVEN

DEVOTION TO MARY

PATH TO HEAVEN

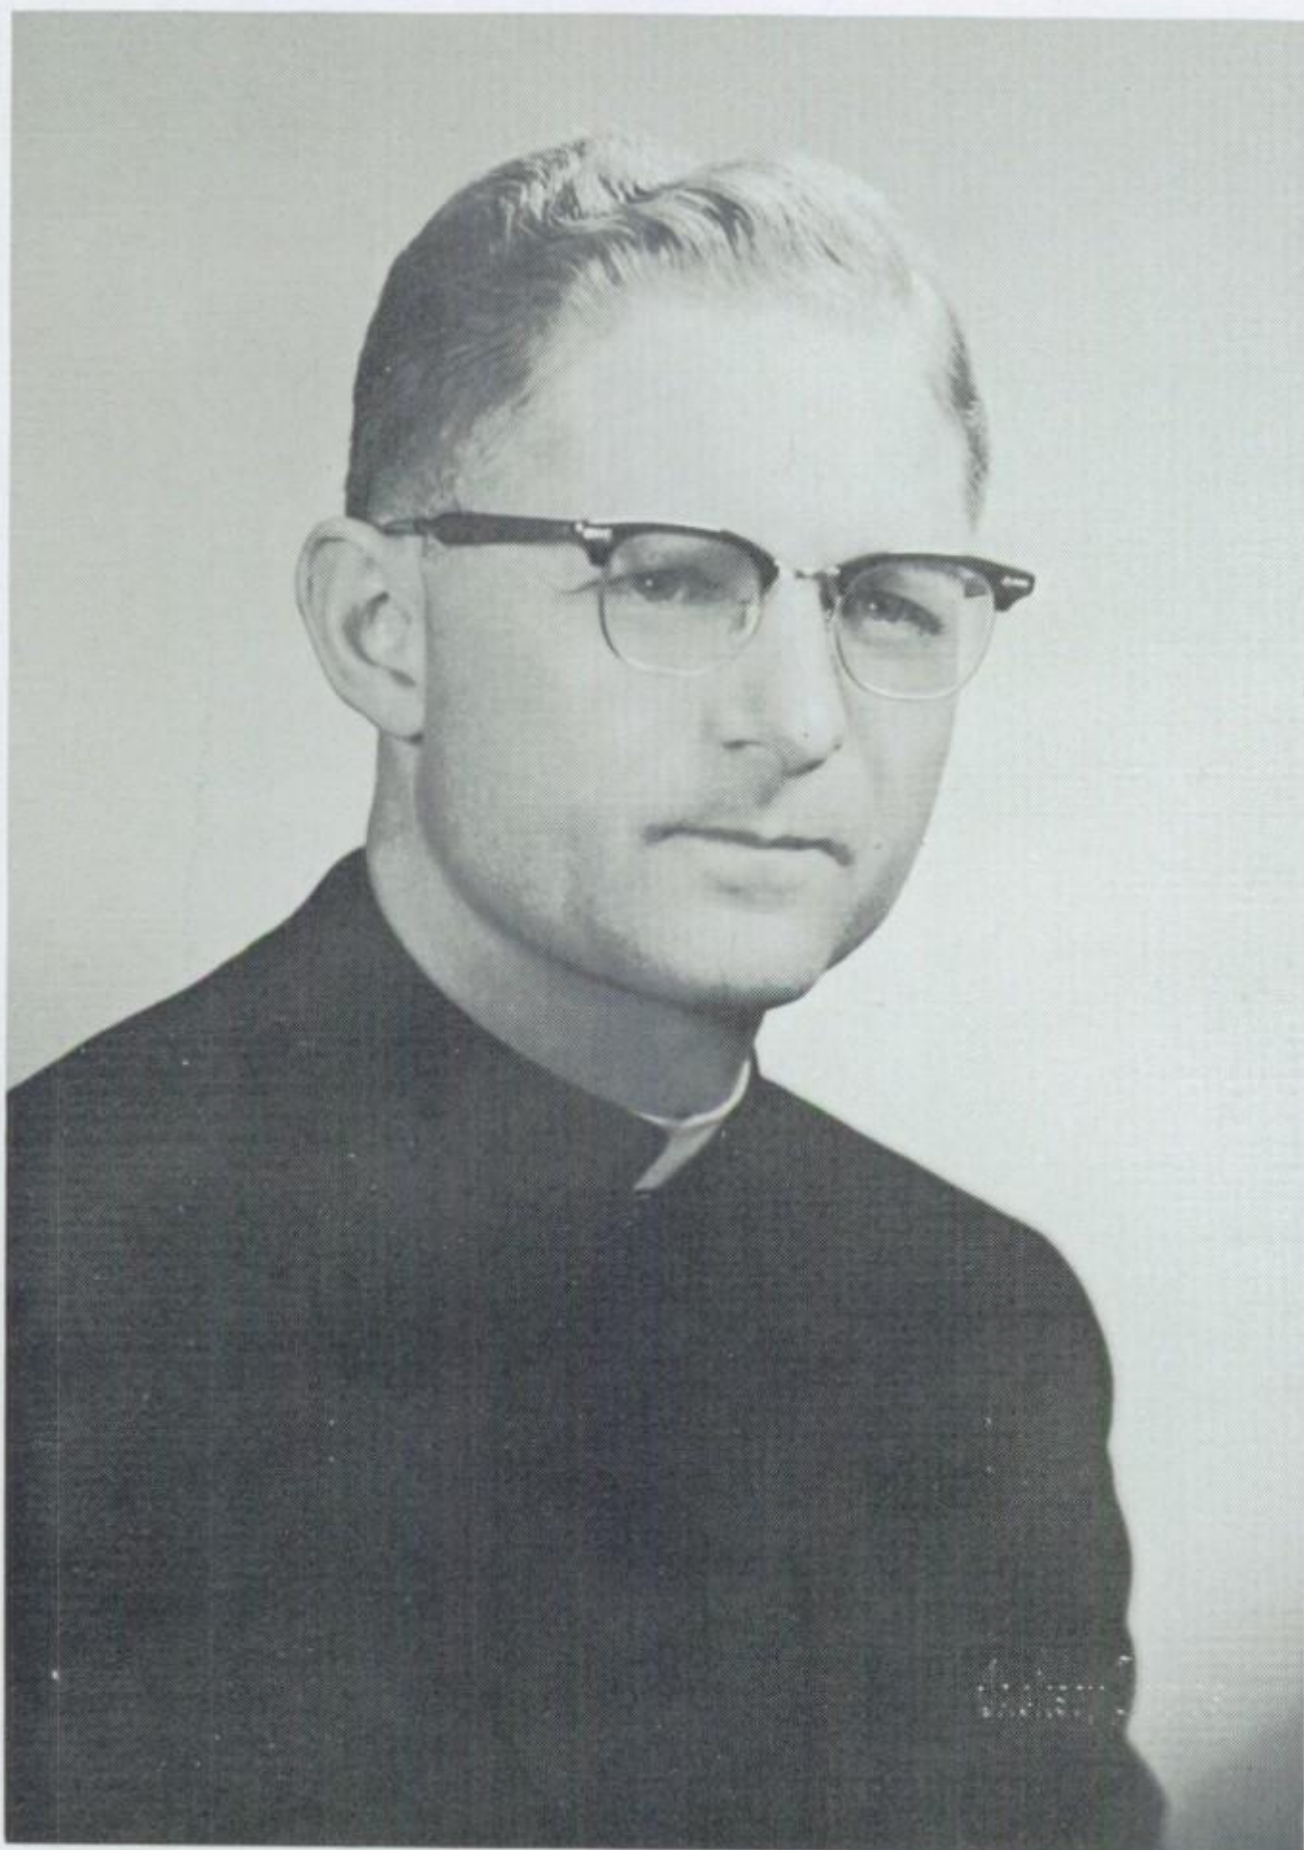

FUTURE SODALISTS

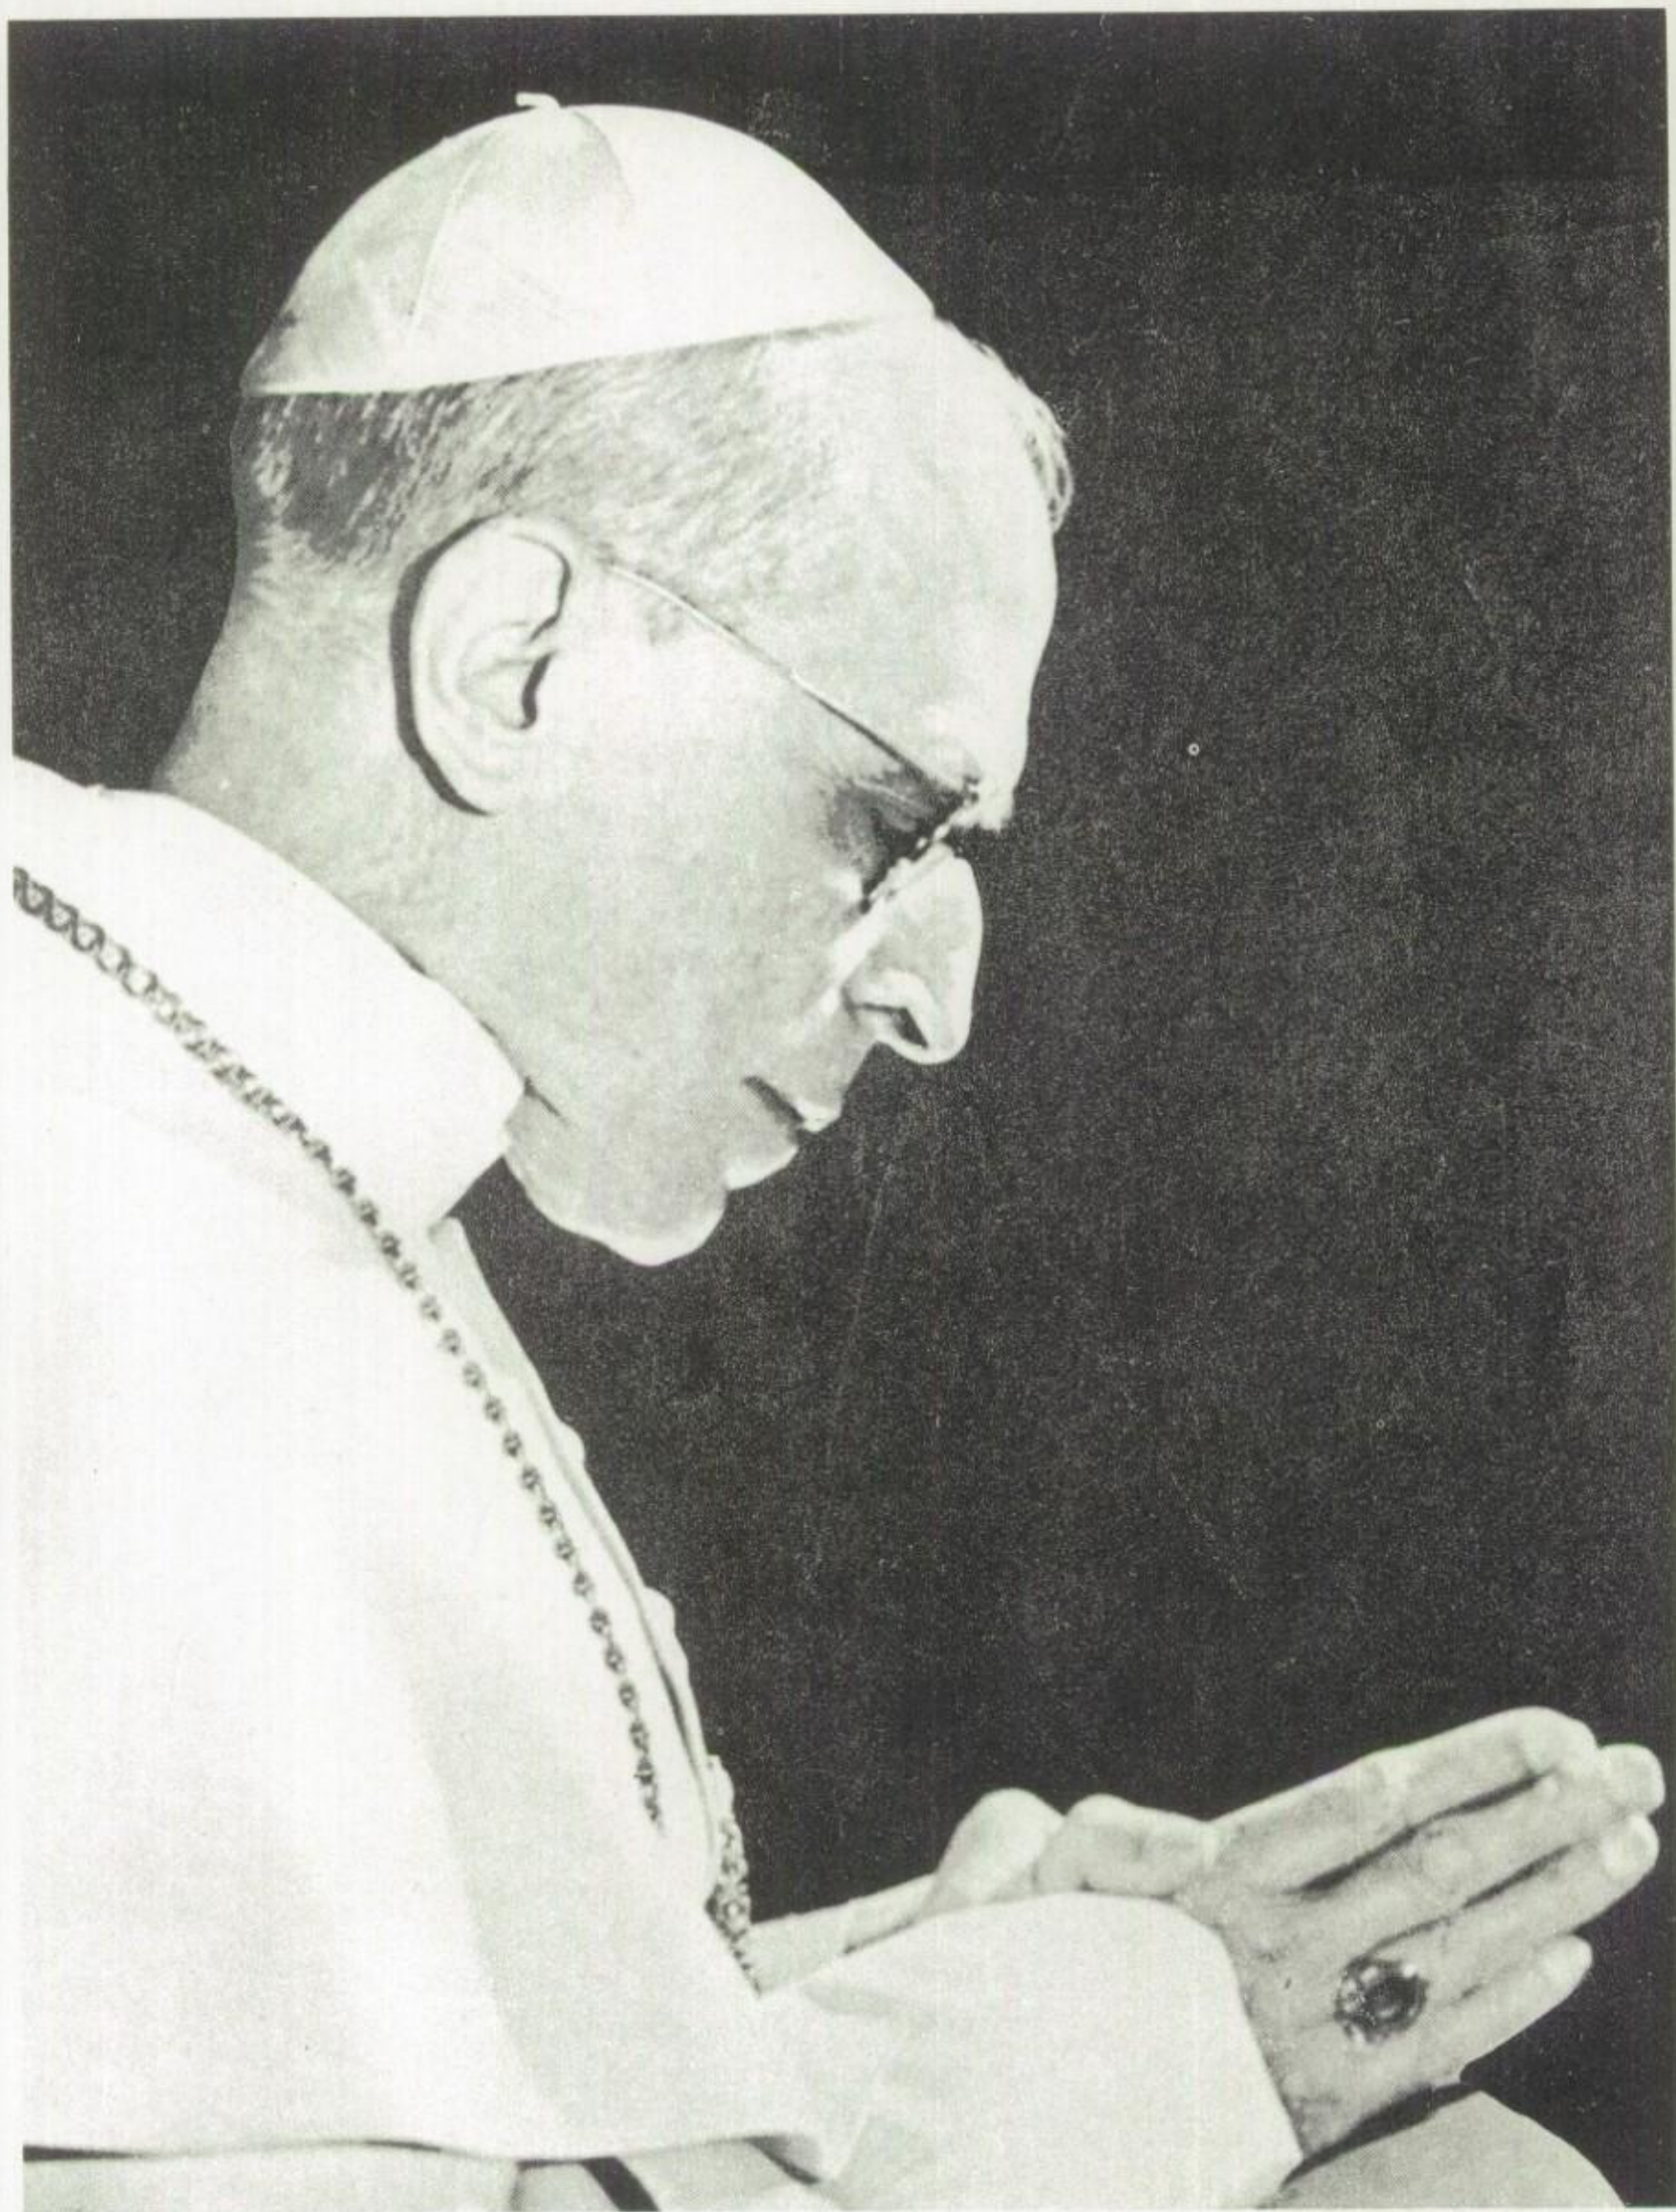

The only way to Christ is through Mary.
Our best contact with Mary, the Mother of God, is the recitation of the daily rosary. Our love for our two countries and for the advantage of peace and freedom to all peoples prompts us not to let this most important weapon neglected.

Effort Today . . . Achievement Tomorrow

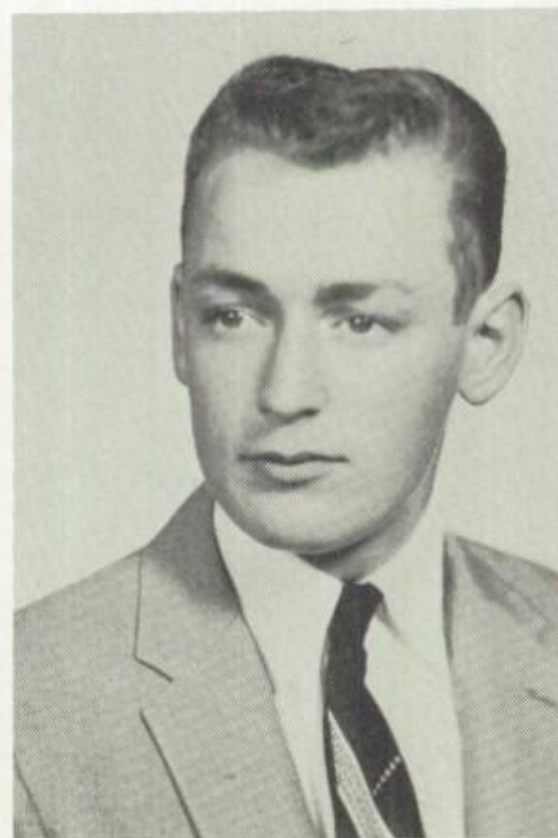

SENIORS

1959

Although we are just on the threshold of adult society, we should have already learned the elementary truth that what we are today we made yesterday. The normal deduction of this simple rule of life is that what we shall be tomorrow we are making today.

CLASSES

1952

The quality we are growing into our lives today will determine the quality of our living tomorrow.

From September to June, we have been learning about God and His world, studying the ways and means by which men gain a measure of success here on earth and eternal happiness in heaven.

Class of 1960

Looking forward to their last year, the Juniors are forging ahead to a successful Senior year by sponsoring some activities and by participating to others. "Fight, St. Martin's, Fight! And ever love her name!"

Changing classes every 50 minutes is, indeed, new to us, and it does seem so grown-up. We learn that the intelligent and industrious student is bound to succeed. Life as a Freshman truly means growing up and much of the "greenness" is being replaced by the real school spirit. "On St. Martin's! Break right through that line!"

OUR BASKETBALL TEAM

The '58-'59 Basketball Season was a good one for St. Martin of Tours High School. Although the "Saints" got off to a bad start in losing their first four games, they came back with tremendous fighting spirit and proceeded to down nine consecutive opponents. Among these were Schenck, Husson College J. V. and Howland. The "Saints" played many fine games this season including three in which overtime periods were necessary. They finished the season with a hard won record of 11 wins, 7 losses.

In the play-offs the "Saints" experienced much trouble and couldn't seem to connect against Easton. This game ended the season for the "Saints".

Cheerleaders

FIRST ROW: Carolyn Kelleher, Catherine McDougall, Trina Pelletier. SECOND ROW
Lucille St. Peter, Norma Deschaine, Kathleen Civiello.

St. Martin's students are enthusiastic and show remarkable school spirit at games, but their cheering would not be very effective if it were not for our ardent cheerleaders.

Congratulations to them for their excellent work.
